...G.....G.....D.....G.....
And the shanty towns rang with their songs and their fights.
    
```

(CHORUS) (normal picking)

```

...G.....G.....C.....G.....
Navigator, navigator, rise up and be strong,
...G.....G.....C.....D7...
The morning is here and there's work to be done.
...G.....G.....C.....G...
Take your pick and your shovel and the bold dynamite
...G.....C.....D7.....G...
For to shift a few tons of this earthly delight,
...G.....C.....D7.....G.....G...
Yes to shift a few tons of this earthly delight.
    
```

(VERSE 2) (normal picking)

```

...G.....G.....C.....G.....G...
They died in their hundreds, with no sign to mark where,
...G.....G.....C.....D...
Save the brass in the pocket of the entrepreneur.
...G.....G.....C.....G.....G...
By landslide and rock blast they got buried so deep,
...G.....C.....D7.....G.....
That in death if not life they'll have peace while they sleep.
    
```

(CHORUS)

```

...G.....G.....C.....G.....
Navigator, navigator, rise up and be strong,
...G.....G.....C.....D7...
The morning is here and there's work to be done.

(VERSE 3) (normal picking)

```

...G.....G.....C.....G.....G...
Their mark on this land is still seen and still laid.
...G.....G.....C.....D...
The way for a commerce where vast fortunes were made.
...G.....G.....C.....G.....G...
The supply of an empire where the sun never sets,
...G.....C.....D7.....G.....
Which is now deep in darkness but the railway's there yet..
    
```
